Practical Science Grade 10 is an exciting new science course featuring a wealth of full-colour photographs, diagrams and illustrations which bring science to life. The Grade 9 book also includes a fascinating section showcasing real PNG scientists and their work at home and abroad.

Description

Practical Science Grade 10 is an exciting new science course for Lower Secondary. The books are structured simply, and feature a wealth of full-colour photographs, diagrams and illustrations which will engage students and help bring science to life. Each unit states the outcomes as detailed in the syllabus and takes account of the skills, attitudes and values required. At the conclusion of each topic is a summary of main ideas. The Grade 9 book also includes a fascinating section showcasing real PNG scientists and their work at home and abroad.
